AN ILLUSION

Of a Drug User That a Ghost is Used to Extort Confession of Murder from Him.

LOS ANGELES, Calif., Jan. 26.—Denial of charges by attorneys for John H. Cronin, accused of having murdered his wife, Zella, that the police had used the "third degree" with a ghost as the central figure in an attempt to extort a confession was made by the district attorney's office today. According to W. F. Shannon, deputy district attorney, Cronin is a drug user and on occasions becomes delirious. Shannon declares that the ghost which according to Cronin's attorneys appeared in a darkened room where the police had taken the prisoner and demanded in gloomy tones "why did you murder me?" was a product of the druggist's imagination.

ANOTHER GOOD SARDIS WELL.

G. Rice Warner. The prosecuting attorney released Smith from jail Monday.
